

College & Career Capstone Program

Breakdown by Grade Level

9th Grade

Create "Definition of Success"
Complete Self-Assessment
Career Research Paper

10th Grade

Resume Workshop
Job Application Workshop

11th Grade

Financial Analysis
Career Comparison Chart
Interview a Professional

12th Grade

Mock Interview
Career Comparison Chart
Interview a Professional

Middle School

5th through 8th grades have been working on careers on their SIP days. They started with a learning style inventory where they learned whether they learn best by visual, auditory, or tactile means. Next they took an interest profiler survey to determine their RIASEC score. This score shows what areas they are most interested in: R (realistic - doers), I (investigative - thinkers), A (artistic - creators), S (social - helpers), E (enterprising - persuaders), and C (conventional - organizers). The next lessons will focus on narrowing that down to one of the 16 career clusters.
